SUMMARY

Hi! My name is Phat. I'm extremely passionate about web development especially Frontend Development, helping businesses and improve their online presence.
Currently, I graduated with a Bachelor of Electronics and Communications Engineer Technology Degree 2 years ago, I have finished Front-end Development Course at CyberSoft Academy and had over 6 months of working experience in ReactJs. I currently aim to learn as much as I can in a work environment and to further my own abilities in a professional setting.
